GETTING STARTED

Congratulations on discovering smarter haircare with FLIP™ play advanced LED light hairbrush. Before you begin to enjoy all the benefits of sophisticated technology in the comfort of your home, please take a few moments to carefully read the instructions in this manual.

Please READ ALL INSTRUCTIONS BEFORE USE and utilize this product only for its intended use as described in this manual.

⚠ **WARNING:** NO MODIFICATION OF THIS EQUIPMENT IS ALLOWED.

FLIP™ play advanced LED hairbrush OVERVIEW

Introducing the hairbrush designed to improve hair & scalp health. With LED light, this innovative hairbrush detangles like a regular brush, while also supporting your natural hair cycle to help reduce breakage & thinning.

Red light helps revitalize follicles to boost thicker, healthier-looking hair. Blue light combats oiliness & dead skin to support a balanced scalp. Green light supports scalp & hair health to maintain healthy hair follicles.

Designed for all hair types. Yes - we do mean ALL.

CLEANING FLIP™ play advanced LED hairbrush

We recommend cleaning your device once a week. Wash the brush surface with water and soap, then rinse with warm water. Pat dry with a lint-free cloth or towel.

NOTE: Never use cleaning products containing alcohol, petrol, or acetone, as they may irritate the scalp and damage the silicone.

TROUBLESHOOTING

Precautions to be taken in the event of changes in the performance of your FLIP™ play advanced LED light hairbrush:

If the hairbrush cannot be switched on/off, and the universal button does not respond:

- Battery is empty. Recharge using the USB charging cable for up to 1.5 hours until fully charged, and then restart your device by pressing the universal button.
- Microprocessor is temporarily malfunctioning. Press and hold the universal button to restart the device.
- If this is your first time using the hairbrush, it's locked. Follow the UNLOCK YOUR DEVICE instructions under the How To Use section of this manual.

If the hairbrush won't sync to the FOREO app:

- Ensure that the hairbrush is fully charged, and that your Bluetooth is turned on.
- Switch your Bluetooth off and then on again to try reconnecting.
- Close the FOREO app and then reopen it to restart the process.
- The app may need to be updated. Delete and reinstall the app, then make sure to restart your phone.
- Delete your phone's cookies and cache memory.

DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems).

This device should not be treated as household waste, but rather be brought to the appropriate collection point for recycling of electrical and electronic equipment. By ensuring this device is disposed of correctly, you will help prevent the potential negative consequences for the environment and human health which could be caused by inappropriate waste handling of the device. The recycling of materials will also help conserve natural resources.

For more information about the recycling of your device, please contact your local household waste disposal service or your place of purchase.

BATTERY REMOVAL

NOTE: This process is not reversible. This action must only be undertaken when the device is ready to be disposed of.

Because this device contains a lithium-ion battery, the battery must be removed before disposal and should not be thrown away with household waste. In order to do this, remove the silicone outer layer, open the inner plastic shell, remove the battery, and dispose of it in accordance with your local environmental regulations. Wear gloves during this process for your safety. Detailed visual instructions are provided below:
